

Time (AEST)	Day 4 Monday, 21 November 2022		
Room	Goldsfields Theatre		
Session	Plenary Lecture		
08:30	140: Psychotrichology: new paradigm in management of patients with hair disorders <b>Yuliya Ovcharenko</b> on behalf of the Ukraine Hair and Research Society		
Room	Goldsfields Theatre	Eureka Room 1	Eureka Room 2
Session	Free papers and late breaking abstracts	Emerging treatments for hair loss	Platelet Rich Plasma
Chairs	Chair: Leona Yip Co-chairs: Dmitri Wall, Paul Farrant	Chair: Yuval Ramot	Chair: Jerry Shapiro Co-chairs: Pooja Sharma, Etienne Wang
9:00	Frontal fibrosing alopecia - findings from a global eDelphi consensus. <b>Dmitri Wall &amp; Nekma Meah (AHWS)</b>	23: The use of micropatting and iontophoresis technique in scalp disease <b>Michela Starace (EHRS)</b>	Platelet Rich Plasma update <b>Jerry Shapiro (AHS)</b>
9:10	The Alopecia Areata Severity and Morbidity Index (ASAMI) Study: Results of an international expert consensus exercise on determinants of alopecia areata severity. <b>Anthony Moussa &amp; Michaela Bennett (AHWS)</b>	New and emerging treatments for alopecia areata <b>Yuval Ramot (EHRS)</b>	
9:15			Current and emerging trends in Platelet rich plasma <b>Pooja Sharma (AWHS)</b>
9:20	Upping our game - objectifying clinical practice, a challenge to us all <b>Paul Farrant</b>	39: GHRH agonist regulates hair cycle transition and hair growth <b>Yuhong Chen</b>	
9:25			Immunology of hair cycling <b>Etienne Wang (AHS)</b>
9:30	146: Testosterone affects not only vertex/frontotemporal, but also occipital intermediate and terminal hair follicles in mpAGA patients ex vivo - Time to reconsider the current dogma? <b>Marta Bertolini</b>	54: Apremilast and hair regrowth in alopecia areata <b>Timothy Cowan</b>	
9:40	Age-associated thin hair displays molecular, structural and mechanical characteristic changes <b>Stephane Commo</b>	147: Butyrate, a metabolite produced by hair follicle microbiome, promotes autophagy, mitochondrial activity, early melanogenesis and intrafollicular dermcidin expression <b>Marta Lousada</b>	167: Differential Growth Factor Secretion by Platelets in Platelet-Rich Plasma Samples of Alopecia Areata and Androgenetic Alopecia Patients <b>Javed Shaik</b>
9:45			
9:50	101: The contribution of hair regrowth to health-related quality of life improvement in patients with alopecia areata treated with baricitinib or placebo <b>Susan Ball</b>	180: The synthetic odorant Sandalore® balances the human hair follicle microbiome <b>Marta Lousada</b>	216: The use of platelet-rich plasma in scarring alopecia – A systematic review <b>Minjun Park</b>
10:00	The Global Registry of Alopecia Areata Disease Severity and Treatment Safety: Preliminary Data from the Pilot. <b>Huw Rees</b>	77: Therapeutic effects of the application of a novel growth factor cocktail solution (Molinq™) via microneedling on the scalp of patients with androgenetic alopecia: A split study <b>Byung In Ro</b>	
10:10	160: Patch testing and Frontal Fibrosing Alopecia - what's the deal? <b>Mei Tam</b>	116: The efficacy and safety of Advanced Skincare Complex from ExoCoBio (ASCE) plus Hair Rejuvenation Lyophilized Vial (HRLV) in patients with androgenetic alopecia <b>Byung Cheol Park</b>	
10:15			
10:20	Reduction of Hair Loss in Non-Genetic Hair Loss Populations by Improving Scalp Health <b>James Schwartz</b>	154: Acetyl-Glutamine not only prolongs anagen phase, but also positively modulates dermal papilla functions and hair keratins ex vivo <b>Marta Bertolini</b>	
10:25			
Room	Exhibition Hall		
10:30	Morning Tea		
Room	Goldsfields Theatre		
Session	Plenary Lecture		
11:00	Tracing the developmental origin of hair follicle stem cells <b>Hironubu Fujiwara</b> on behalf of the Japanese Hair Research Society		
11:30	Poster Session		
Room	Goldsfields Theatre		

12:00	Break		
	Goldsfields Theatre	Eureka Room 1	Eureka Room 2
Session	Auxillary Cells	Finasteride, dutasteride and post Finasteride Syndrome	Free papers and Clinical cases
Chairs	Chair: Sarah Millar Co-chairs: Carlos Clavel	Chair: Jack Green	Chair: Pooja Sharma Co-chairs: Lara Trindade, Koh Wei Liang
13:30	173: KLF4 maintains hair follicle stem cell quiescence <b>Sarah Millar (AHRs)</b>		Systemic implications of Minoxidil. <b>Pooja Sharma (AWHRs)</b>
13:40	Inducing Fate Changes at the Hair Follicle Stem Cell Niche		212: Analyzing Global Models of Health Insurance Coverage of Hair Prosthesis for Alopecia Areata <b>Rhea Malik</b>
13:45	<b>Carlos Clavel (AWHRs)</b>		
13:50	33: IMMUNE CELL REGULATION OF THE HUMAN HAIR CYCLE	Post finasteride syndrome <b>Jack Green (AWHRs)</b>	Female pattern hair loss can affect men with testosterone deficiency <b>Lara Trindade</b>
13:55	<b>Etienne Wang</b>		
14:00	Effect of Particulate Matter on Hair Diseases <b>Chang-Hun Huh</b>	68: Efficacy and Safety of Finasteride in Frontal Fibrosing Alopecia, Lichen Planopilaris, and Pseudopelade of Brocq <b>Moon-Bum Kim</b>	141: Low-dose Oral Minoxidil for the Treatment of Hair Loss - An Audit in a Singapore Dermatology Department <b>Koh Wei Liang</b>
14:10	120: Epigenetic regulation of postnatal maturation of dermal fibroblasts		107: Alopecia Pattern Hair Loss Caused by Injection Fillers: Two Case Report <b>Xi Chen</b>
14:15	<b>Ohsang Kwon</b>		
14:20	32: Analysis of Sebaceous Gland Morphology in Psoriatic Alopecia <b>Betty Nguyen, Curtis T Thompson</b>	226: The First Clinical Report on a Successful Single Dose Study of the Novel Finasteride Long-Acting Injection Versus Propecia® Tablets in Healthy Adult Participants <b>Heesun Kim</b>	78: A case of aplasia cutis congenita in monozygotic twins under dermoscopy <b>Huijun Lai, Hongwei Guo</b>
14:30	35: Epithelial-Mesenchymal Interaction in Hair Regeneration and Skin Wound Healing <b>Mei-Qi Mao</b>		98: Mimicking a Hair follicle-like organoid using immortalized cell lines <b>Hyun Woo Joo</b>
14:40	122: Noncontact Compression Promotes Hair Growth by the Activation of Endothelial Cells		
14:45	<b>Hiroya Takada</b>	85: Scalp Sarcoidosis - The Great Imitator <b>Charlotte Krones</b>	
14:50	109: IRX5 promotes DNA damage repair and activation of hair follicle stem cells <b>Bogi Andersen</b>		
Room	Goldsfields Theatre		
15:00	Closing Ceremony		
END OF DAY 4
